Forecast For East Midlands
Issued by Met Office Exeter
at 1600 on Sunday 28 Mar 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Patchy rain at first, sunny spells developing on Monday.

This Evening and Tonight:
Remaining windy but mild, with occasional gales over the Derbyshire hills. Some rain or drizzle in the north and west for a time but largely dry elsewhere, with a few clear spells by morning. Minimum temperature 10 deg C (50 deg F).

Monday:
A rather cloudy start, but some warm spells of sunshine developing across the region during the afternoon. Breezy at first, but winds tending to ease through the day. Maximum temperature 18 deg C (64 deg F).

Outlook for Tuesday to Thursday:
Tuesday dry, sunny, and warm, with light winds. Similar for much of Wednesday, but increasingly cloudy from the north later. Thursday cooler with patchy rain at first, but brighter later.
